## Business End of Season - Anti-Stacking Provision

As we come to the end of July 2010 the end of the hockey season is in sight and hockey finals are a focus for many of the Hawthorn teams. The seniors have completed Round 12 and now face the business end of the season where Hockey Victoria Regulation 8.4 Anti-Stacking Provision kicks in and selectors must choose their teams with great caution. The regulation states that 'no more than two (2) players shall be selected in a lower ranked team who would not be able to complete the minimum required games as required for finals eligibility'. As the title of the regulation suggests, this regulation aims at preventing clubs from stacking teams, which can be a practice that some clubs engage in, in order to make the finals or prevent relegation. In the past this regulation has caught some clubs out. Heading into the home stretch of the season this edition of the Newsletter includes the Senior Round 12 ladders taken from Sporting Pulse.

## Match Report – Rd 12

#### MSL1: Albury-Wodonga 1 v Hawthorn 6

This week saw the Hawthorn State League Team travel up to Albury. They welcomed Thijs Van Der Pant into the team for his first game with the club after travelling from Holland with the red bearded one, Josh Hawes. Youngster, Charlie Cross was also back in the team this week and eager to perform. For this game, Hawthorn was missing Paul MacKinnon through injury to his right hand, and Josh was assistant coach for the Under 21 state team.

After a quick stop off in Wangaratta, where the team showed off their magnificent football and soccer skills, proving why we all play hockey, we arrived in Albury. The game started off very intensely with the Albury team making their physical presence felt, in an attempt to make up for the 15-1 score line the last time these two sides met. There were 3 good chances early in the game for the Hawks, with old man Stebbings hitting the post, followed by Charlie Tulloch and Tom “Multi-bet” Sinclair both coming very close to pulling off good individual goals.

However the Hawks were unable to convert any of these chances and the ball went up the other end for Albury to gain the first corner of the match. It was a well executed drag flick by Sam McIntosh for Albury to take the lead 1-0. At this stage the Hawks were probably a bit shaken by the physical presence Albury were imposing on them and the fact they had gone 1-0 down. They soon recovered though and started constructing some good plays and working corners. Soon they were back on level terms with Albury and by half time they were up 3-1.

At half time the Hawks worked out how to combat the Albury style of play and looked to stretch their lead into the game. The Hawks ball use and efficiency was probably not up to their normal standard, but credit should go to the Albury players for the pressure they made the Hawks feel all day. At the end of the very well umpired match, the Hawks had won 6-1, with 3 goals to Jonathon Stebbings, and one each to Jimmy “Ladies Man” Mulcair, Diamond Sean Jenner, and the fleet footed Charles Tulloch.

Next week the Hawks take on Altona at the State Hockey Centre at 5pm on Sunday night. Get down there to support the boys as they make a run for the finals.

#### WPC: Powerhouse/St. Kilda 0 v Hawthorn 1

With Katrina Ashton and Hannah Fudge both hospitalised during the week and Alex Wade diagnosed with a slipped disc things were looking to be against the WPC Hawthorn team. In order to not start the game with 10 players we had to call on the former and now retired Hawthorn star, Belinda Griffiths. She turned up late but she still has it!

A disappointing first half resulted in a half time spray from our coach, Smithy. It was the most frustrating half he had ever seen in hockey! With this in mind we went out in the second half and put on a very solid display in a game that felt like a final. Michelle Wischer and Holly Millar raced over from another game and provided us with a bench and a goal (thanks Holly).

Strong performances from Edwina Oostergetel, Antonia Fleming, Ginny Blair and Kasey Muir resulted in a much needed and hard fought win with the final score being 1-0.
